

Jeff's Marine, Inc.

2 Brooklyn Heights – P.O. Box 236 – Thomaston, ME 04861

Winter Storage 2023 - 2024

Please Note: Jeff's Marine is unable to fuel ethanol-free boats at this time. Failure to communicate the type of fuel used can result in mixing of E10 and Ethanol Free fuels. Jeff's Marine is not responsible for any damage caused by the mixing of fuel types. If fuel type used is unknown, customer is responsible for fueling their boat. Jeff's Marine will not fuel boats with unknown previous fuel type.

Storage Information

How do you prefer your boat be stored? Inside Outside*

Please Note: In calculating storage fees, we measure length and width overall, including such projections as trailer tongues, swim platforms, and outboards. Storage dimensions are maximum length and width.

**All boats outside must be shrink wrapped. Jeff's Marine subcontracts this service.*

Requested Service Dates

Fall 2023 Haul Out*: _____

Please indicate how your boat will be delivered to Jeff's Marine.

Dockside by Customer On Customer Trailer by On Jeff's Marine Trailer
Customer / Jeff's Marine (circle one)

**Jeff's Marine requires 2-week notice prior to the requested date.*

Please Note: These dates are requested, not confirmed. Jeff's Marine will make an effort to deliver services as closely as possible to these dates. Dates are confirmed by the Jeff's Marine Service Department via email or phone communication.
